While the Children's Parliament concept was first developed on a wide scale in Rajasthan by India's world-famous Barefoot College, a similar idea was later tried out in Scotland's Outer Hebrides. Island Voices' interest is in community-based Language Capture and Curation on an easily replicable human level. To see this short documentary film, just pick the language of your choice!

Island Voices – Guthan nan Eilean

Slices of Life and Work in the 21st Century Hebrides – for language learners, and anyone else!

CIALL, supported by the Scottish Funding Council, enables continued collaboration on Mediating Multilingualism between the University of the Highlands and Islands Language Sciences Institute and Amity University Haryana Centre for Linguistic Studies, with the help of Adhibhash.
